# PLEX BOND BUILDER NO YELLOW SHAMPOO

- against yellow tones, with plant protein and peptide complex.

*Colour revive silver shampoo for gray and blond hair, and hair with highlights. Specifically developed for chemically treated, damaged hair. Its active ingredients support the restoration of the hair fibers and help to maintain the moisture content of the hair while reducing unwanted yellow tones. The ingredients contribute to the strengthening of hair bonds and form a protective layer on the surface of the hair, helping static hair. It gives the hair a healthy look.*

*Application: Massage the right amount of shampoo onto wet hair. In case of gray hair, leave it on for 2 minutes, in case of blond hair, rinse immediately.*

# PLEX BOND BUILDER NO YELLOW SILVER HAIR MASK

- with plant protein and peptide complex. Specifically developed for chemically treated, damaged hair.

It neutralizes the undesirable yellowish shades of bleached, blonde and gray hair, while its active ingredients support the restoration of damaged hair fibers and help to maintain the moisture content of the hair. The ingredients contribute to strengthening the bonds of the hair strands to make them more resistant to injury and adverse environmental effects. They form a protective layer on the surface of the hair, helping static hair.

**Application:** Use after washing hair, on towel dry hair. Leave it on for 3-5 minutes, then rinse. Make sure it doesn't get in your eyes! In case of contact with eyes, rinse with plenty of water. For professional use!
